#### **Round Table Sharing:**

Elk Grove - Prek-3<sup>rd</sup> grade came back this week. Students will continue coming back over the next few weeks. Some teachers that are returning may not have been in the classroom for a year. The schedule for now is Tuesday/Thursday for one cohort, Wednesday/Friday for the other. All students will do distance learning on Mondays. The district is focused on getting teachers and classrooms ready. There have been a lot of new tech tools purchased over the last year and it is exciting to see them being utilized.

Roseville has been open since October, fully back since January. Teachers are in the classroom and still teaching students that are learning remotely. The resilience of teachers has been great to see, especially when it comes to tech problems. In the past teachers would just give up, but now when they face a problem they try to work through it or reach out to others for assistance.

San Juan is reopening in a hybrid model for K-12 on Monday. Some teachers will be staying remote due to health challenges. Long term subs will be on the classroom to help students while the teachers Zoom in. Students that are learning remote will not be learning with students that are in person. In person students will be Monday/Tuesday, Thursday/Friday with Wednesday as a cleaning day.

Center (Email from Mike Jordan) - The Center Joint Unified School District will be returning to a hybrid, in-person model on March 25th. We are looking forward to seeing our students in person after a year of distance learning. This means that our students will get to return to our broadcasting studios and work collaboratively in the Media Communications Academy. We are excited for this new chapter to begin.

#### **SECC:**

Cable Programming Topics – Each district has time on the cable channels. If there is any information that members feel would be appropriate to share, please send it to Jessica. SECC is also still available to help capture any programs or training that members need assistance with.

SEVA Award Night – April 18<sup>th</sup> – Award Night will be a two-week celebration this year starting with the Defining 2020 Awards being announced on April 5<sup>th</sup>. Finalists will be announced April 12<sup>th</sup>, and the big ceremony will be aired on April 18<sup>th</sup>. All programs will be aired at 5pm on Comcast channel 16. Invites will be mailed out later this week.

Graduations – A few districts have already reached out regarding this year's graduations. If anyone needs production assistance please connect with Liz or Jessica as soon as possible.
